

20 October 1952

Mr. Jack Gorrie
Chairman
National Security Resources Board
Washington 25, D. C.

Dear Mr. Gorrie:

In response to your letter dated 20 February 1952 requesting that the Director of Central Intelligence designate a member of this Agency to consult with you on the question of coordination of testimony to be given on behalf of the President's recommendations for security of the Nation's Capital, Mr. Walter Pforzheimer, Legislative Counsel for CIA, was nominated and has served as the Agency's representative on your special committee.

From the reports which Mr. Pforzheimer has made it is believed that someone more closely associated with our own Emergency Planning Program might more appropriately be designated as a member of this committee. Accordingly, I should like to nominate [REDACTED] to replace Mr. Pforzheimer.

We would, of course, be more than glad to have Mr. Pforzheimer assist you in any way that he can, especially if it involves the preparation of legislation.

Sincerely,

WALTER REID WOLF
Deputy Director
